

IMPORTANT NEIGHBORHOOD MEETING

Sponsored by South Brookline Neighborhood Association & Preserve Brookline

Baker School Auditorium

January 9, 2014 • 7:00 PM

Learn the impact that Chestnut Hill Realty's 40B proposal to build 192 new apartments at Hancock Village will have on you, your neighborhood, the schools, and the town.

Hear the concerns this project raises regarding safety, traffic, loss of green space, rising school enrollment and the town's budget.

Jason Talerman, Esq. of Blatman, Bobrowski & Mead, LLC., an attorney and 40B expert who represents a group of neighbors, will discuss ways in which other communities have been successful in challenging similar projects. Learn what we can do here in Brookline.*

Please attend this important meeting on January 9th 7:00 p.m. at the Baker School Auditorium!

*Please save Thursday, January 16 for the first Zoning Board of Appeals meeting on the comprehensive permit application to build the Hancock Village expansion in the Selectmen's room at Town Hall at 7 PM. More information to follow.
